ABOUT THE 2010 MEET

The Boston Trolley Meet has been a bi-annual tradition in Boston for many years. This year, the Meet is being presented by the *Boston Street Railway Association*, *Seashore Trolley Museum*, *Bay State Society of Model Engineers*, and the *Boston Chapter of the NRHS*, and has become the **2010 Boston Trolley & Transit Meet!**

Enjoy Friday evening's preview, then join us for Saturday's full schedule of activities, including operating layouts, model contests, clinics, movie entertainment, and historic buses on display from Seashore Trolley Museum. Manufacturers and dealers will display models, kits, parts and books. Complete the weekend with the BSSME's open house — featuring their impressively large O scale trolley layout!

The Civic Center in Wakefield is accessible by **T** Commuter Rail (Wakefield Station on the Haverhill line) and **T** Bus routes 136 and 137 (which leave from Malden Center and Oak Grove on the Orange Line). The BSSME is served by several T Bus routes at Roslindale Square (which leave from Forest Hills on the Orange Line). See our website for complete directions by transit and by car.
